EVERY READINESS AUDIT INCLUDES

- Inventory of pages, online services (payments, permits, forms) and posted documents
- WCAG 2.1 AA testing: automated scans + manual keyboard, zoom/reflow, contrast and VoiceOver screen-reader checks
- Prioritized plain-language fix plan mapped to your deadline; notes for third-party vendors (payments, agendas, sign-ups)
- Documents sorted into "remediate" and "may be excepted (archived/pre-existing)" for your attorney to confirm
- Draft accessibility statement and feedback process · walkthrough meeting · one retest

HOW TO BUY

- Written quote + W-9; insurance your purchase requires is put in place before work starts; we work from your purchase order; tax-exempt.
- Each package is priced below the $20,000 purchase-contract bidding threshold in General Municipal Law §103; your GML §104-b procurement policy sets how you buy below it (usually quotes).
- Net 30 after delivery, by check or ACH. No retainer.

PROOF YOU CAN CHECK

Ten working public-service demos (payments, permits, service requests, board meetings, records) at **kandigital.xyz/demo**, each tested to WCAG 2.1 AA with a published Accessibility Conformance Report and dated test evidence. No overlay widgets: we fix the real code and documents.
